

1 in 5 Californians requires an Interpreter for health care.

I work with qualified Medical Interpreters. Do you?

UCSF Health

**Communication is the key
to patient safety.**

**Ask us if we work with qualified
Medical Interpreters.**

UCSF Health

**I care about your health.
Communication is key.**

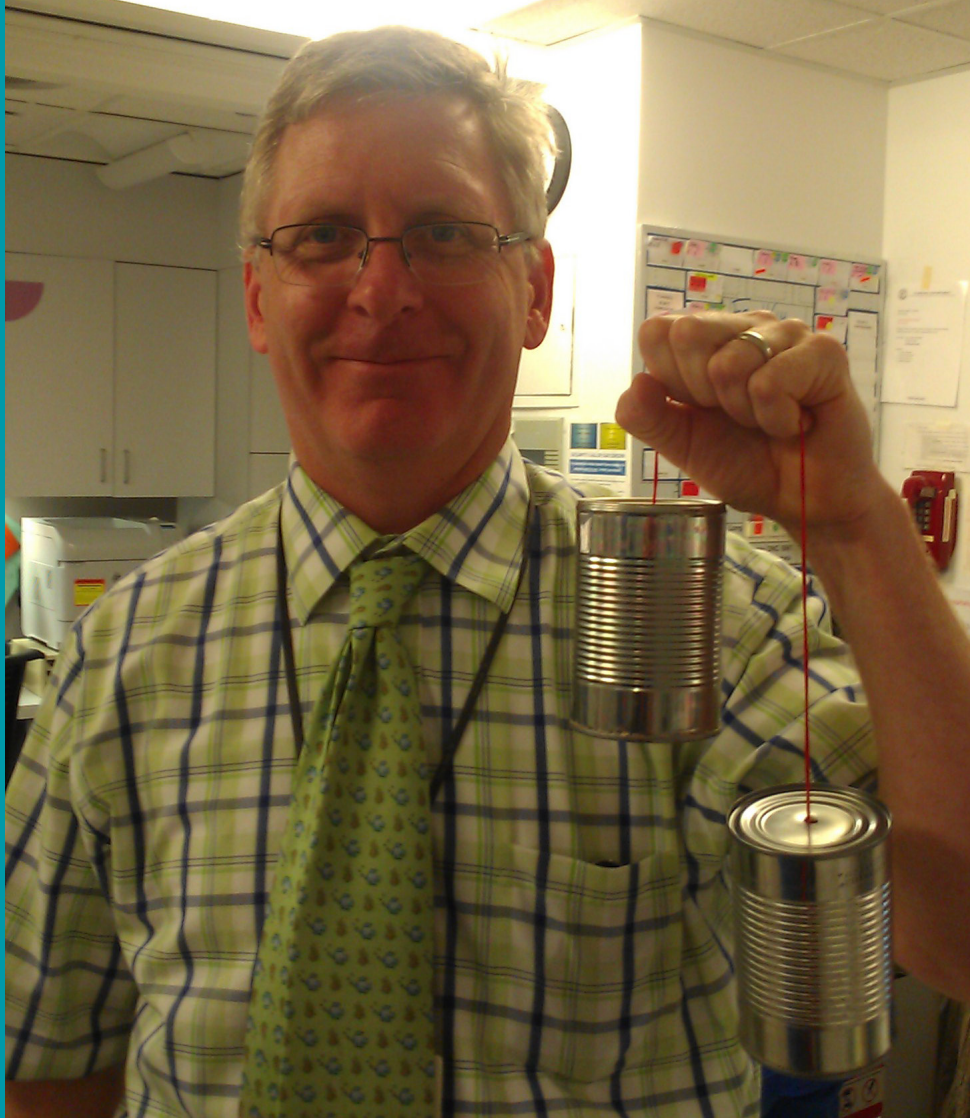

**Ask me to work with a qualified
Medical Interpreter. It's your right.**

UCSF Health

Communication is no game.

I work with qualified Medical Interpreters. Do you?

UCSF Health

**It doesn't take a brain surgeon to know;
medical expertise is only as good as its delivery.**

**I work with qualified Medical
Interpreters. So should you.**

UCSF Health

**Communication is key to
patient health and safety.**

**Ask us to work with qualified
Medical Interpreters. It's your right.**
