

BCH Safe Spaces

To acknowledge the devastating impact of the Israel-Hamas conflict on all those who are in Israel, Gaza and the West Bank, our Diversity, Equity, Inclusion and Anti-Racism (DEI/AR) leadership is hosting multiple Safe Space sessions for the BCH community. Please understand that the BCH Safe Spaces are intended to provide healing for those experiencing deep pain, and an opportunity to listen, share and receive support. The spaces are not intended as venues for debate or political discourse.
