

National Latinx Heritage Month 2022

September 15 – October 15

Every year from September 15 to October 15, Americans celebrate National Hispanic Heritage Month by appreciating the community's history, heritage, and contributions of the ancestors of American citizens who came from Mexico, Spain, the Caribbean, and South- and Central America.

How to celebrate:

- Highlight your Latinx staff to share cultural experiences and traditions
- Add the Latinx Heritage Month backgrounds on zoom
- Add "Latinx Heritage Month" on your email signature
- Participate in any of the Latinx activities and events
- Educate yourself through the Latinx Heritage Month factsheet
