

NATIVE AMERICAN HERITAGE MONTH

In 1990 President George H. W. Bush approved a joint resolution designating November 1990 “National American Indian Heritage Month.” Similar proclamations, under variants on the name (including “Native American Heritage Month” and “National American Indian and Alaska Native Heritage Month”) have been issued each year since 1994.

How to celebrate:

- Highlight your Native American staff to share cultural experiences and traditions
- Add the Native American Heritage Month backgrounds on zoom
- Add “Native American Heritage Month” on your email signature
- Participate in any of the Native American activities and events
- Educate yourself through the Native American Heritage Month factsheet
