

Status of Asian & Pacific Americans in UCSF

Monday, May 23 | 1:10 pm – 2:00 pm

The newly formed UCSF Asian American & Pacific Islanders (AAPI) Coalition will present on the current status of Asian & Pacific Islanders from a global to national perspectives and within our UCSF community. In addition, we are bringing a panel representing different API groups at UCSF to speak about the work they do.

Special Guests:

- Dr. Hanmin Lee, MD, Surgeon-in-Chief of UCSF Benioff Children's Hospitals
- Jeffrey Chiu, VP/Assistant Vice Chancellor of Talent Management and Operations – Human Resources

To Register: ZOOM

Sponsored by the AAPI Coalition, APASA, APAMSA, Asian Health Institute, BCH DEI/AR Council, UCSF Office of Diversity & Outreach, United Filipinx Association
